

Appl. No. 10/044,645
Amendment Dated March 10, 2004
Reply to Office Action of September 11, 2003

REMARKS/ARGUMENTS

Claims 1-4, 9-13, and 15-28 remain in the application. Claim 25 has been amended, and claims 29 and 30 have been cancelled without prejudice or disclaimer of any previously claimed subject matter.

In the Advisory Action mailed January 9, 2004, the Examiner indicated that the Applicant's previous response had overcome the rejections under 35 U.S.C. § 112, second paragraph, but maintained the rejections of claims 25-30. To promote prosecution, claim 25 has been amended to recite a composition that is "suitable for oral administration", and claims 29-30 have been canceled, without prejudice. Applicant reserves the right to file a continuation application to the subject matter of any previously claimed subject matter.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Please charge any additional fees to Deposit Account No. 11-0980.

Respectfully submitted,
